JULY 2018

State President

Noel T. Miller
State Master/President
president@ctstategrange.org

"Service is the rent you pay for having room on the Earth." This was the fortune cookie I got after attending the 89th Connecticut FFA State Convention at E.O. Smith High School in Storrs. I spent the day there watching and listening to these students and I was amazed with the energy, public speaking, and teamwork that these FFA members give. I sat in on their Convention and witnessed an engaged group of studnets working toward a brighter and better future. They awarded 146 State Star awards, the highest award at the state level. There are 3,300 FFA members with 20 chapters in Connecticut. They elected new officers and I congratulate them for a successful year. Michael Wetherell of Killingly is the new President of the Connecticut FFA Association. The energy of the election and installation of new officers has the feeling of the Price is Right TV show. Let all of our Granges invite these FFA Chapters to put on a program in our halls. They are willing to come to us. You just have to ask.

Echo Grange Hall has been sold and Litchfield Grange Hall will be by the printing of this issue. This is a difficult thing that I have had to do as

your State Master, but it is necessary that we not have empty Grange Halls around this state. Everyone should be working to bring in new members. Materials are available from the membership committee. Call them and they will assist you with a membership drive. Mentor new members so they have someone to answer questions and feel welcomed into the Grange. Remember what experience you had as a new member.

I want to thank the Worthy Chaplain for his Sunday Worship Service on Grange Sunday though the participation was lower than pervious years the sermon was enjoyed by all there.

The Let's Celebrate Day had fewer entries in the Photo and Needlework Contests but as we talked about it, the new Pomonas are getting a late start and were not able to spread the word as in past years. Next year will be better.

The Youth and Juniors had an excellent luncheon with soups, salad, Subway and dessert. The local Subway in Cheshire donated the Subway sandwiches to the Junior Grange so a bigger profit will go to the Youth and Junior programs. Thanks to all that attended.

The skits and A-Numbers were fewer than in previous years. I thank all Granges that had a number to present in the afternoon.

After the contest a comment was made about some of the skits as being offensive. One had the mention of transgender, from a Grange member who has come out in life as a transgender. The

comments were this was not appropriate for a Grange skit. I disagree because the Grange is a family organization and we should not and she should not discriminate against anyone for their beliefs. We should not judge people for their lifestyle choices, that is God's duty on Judgment Day not ours. The other was religious themed skit of shouting Bingo numbers instead of giving last rights. I'm sorry but this is a skit, it wasn't in bad taste. I thought it was funny. This time in this country we cannot laugh at ourselves without offending someone or something.

It's time we loosen up and have open discussion of what we want in our Grange, because what we are doing is not working. The First Degree contains a charge from the Steward, "Wearing that garment is to teach you that those we admit into our circle are not chosen by outward appearance, and that we are not deceived by outward appearance. It is of the mind and the heart that we look for all good works, therefore, in your intercourse with the world, remember that a noble mind and generous heart are often concealed behind the garment of poverty." Our Obligations also tell us to protect Brothers and Sisters from harm. So, please as I stated in my first Granger article, "Be Nice."

Fair season is here so go out and promote the Grange, new members are out there they just haven't been asked. Talk about your experience with the

Grange and and bring in that next member. Good luck and have a safe summer.

From the television show

YOU can shape Grange policy at State Session

Alma Graham
Legislative Director
legislative@ctstategrange.org

M*A*S*H, "My friends, take my advice, pull down your pants and slide on the ICE."

Has your Grange started working on your resolutions for this upcoming session? Resolutions are one way that the Grange can communicate its concerns for local, state and national issues. One resolution that was passed during our last State Grange session addressed the definition of

milk. While visiting with my Representative, Joe Courtney of the second district, I found that there has already been a bill submitted defining the definition of milk. HR 778 - Dairy Pride Act 'to prohibit the sale of any food that uses the market name of a dairy product, is not the milk of a hooved animal, is not derived from such milk, and does not contain such milk as a primary ingredient.' This bill has been introduced in the house but has not moved forward. We need to nudge it a bit. There is a similar one in the Senate, S 130, but it is still in committee.

I am reprinting most of an article from June of last year which gives details on writing a resolution. I encourage you all to submit your resolutions soon as possible.

Remember that all resolutions that you plan on sending to State Grange need to be sent from your local Granges to your Pomona Grange for action before being sent on to State Grange. The deadline for submitting resolutions to State Grange is September 15th. Some of the new Pomonas are only meeting four times a year which means that your resolution will need to be submitted before their September meeting. This process of submitting them to the Pomonas allows resolutions to be considered by a larger audience and to educate others on the intent of your resolution.

Your resolutions do not need to be only of a state or national issue. Resolutions concerning local issues may be presented by your local Granges to your local officials. You could also show your support of other organizations, projects, and special recognitions by using resolutions.

Resolutions need to be written in specific way. You first should have a title. The next section is the WHEREAS sections. This is where you list concerns and details educating the readers about the topic you are writing about. The next section is the THEREFORE BE IT RESOLVED sections. This is where you state what actions you wish to happen. This section should be able to stand alone when the

Articles Due July 15

133rd Annual Session of the Connecticut State Grange

October 18, 19 & 20, 2018 • Holiday Inn Norwich

**Reservations:
860-889-5201**

**Conn. State Grange Rate:
\$92.00/night, plus tax**

The Connecticut State Grange returns again to the Holiday Inn Norwich for the 134th Annual Session, October 18-20, 2018.

The most important thing we can impress upon you at this time is to **MAKE YOUR HOTEL RESERVATIONS AS SOON AS POSSIBLE!**

We had some difficulty with room availability last year because the Holiday Inn is so close to Mohegan Sun Resort & Casino. Many members waited until the end of September and early October to make the call and rooms were either in

short supply or sold out.

Members who have special room requirements should also call as soon as possible. We have a specific number of rooms reserved in our block. Once those rooms are sold we can only add rooms if they are still available and the hotel is reluctant to release additional rooms at a late date because they can be sold a full rate to the general public rather than at the discounted rate the Grange receives.

Please call the local number we have listed at the beginning of this article.

Calling the Holiday Inn corporate line can result in misinformation about room availability and pricing. If you do have difficulty reserving a room or are quoted a price that is more than the \$92/night Grange rate, please let me know by email or phone and I'll make sure your reservation is corrected.

When calling be sure to tell them you are reserving under the Connecticut State Grange block of rooms and rate.

We will have more information regarding the schedule for session in next month's issue but please note that this is a full election year. It is also the year when National Grange will meet in Stowe, Vermont. Members who need the Sixth Degree before heading for to Vermont for the Seventh should plan on attending the Sixth Degree on Saturday at State Session.

The Celebration Banquet worked extremely well on Friday evening last year, so it will be held again on Friday, October 19 beginning at 7 P.M. in the Grand Ballroom of the Holiday Inn.

We have four new menu options this year with Fillet Mignon, Chicken Marsala, Shrimp Scampi and Pasta Primavera. All are served with a tossed salad, warm rolls and butter, vegetables, chocolate mousse cake and coffee/beverages. The \$30 price is an exceptional value when you consider the cost of restaurant meals today.

Your full or one day registration will include the buffet luncheons for that day as well. A Deli Luncheon will be served on Friday and a Southern Barbecue will be served on Saturday.

We encourage all members to come for all or part of State Session. It's not just for the officers and delegates. We want all members to come and experience Session and go back to their Granges energized for the new Grange year.

Any questions about Session can be addressed to me at the Central Office or by emailing: secretary@ctstategrange.org.

134th Annual Session of the Connecticut State Grange

State Session is not just for the officers and delegates. All members are encouraged to attend all or part of the Connecticut State Grange convention to help celebrate our accomplishments during the previous year and start a new Grange year inspired and energized.

ALL MEMBERS (Delegates and Non-Delegates) are required to register to attend most sessions/activities of the convention. The exceptions are the Sixth Degree on Saturday and the Lecturer's Program during the Celebration Banquet on Friday evening, along with the Installation of Officers.. All other events require payment of a registration fee and/or purchase of a ticket. Registration for Friday and Saturday also includes admission to that days' buffet luncheon. The Celebration Banquet is a separate ticketed event. Please contact the Central Office if you have any questions. Make additional copies of this form, if necessary.

A look back at Wethersfield Grange No. 114

This month we look back at Wethersfield Grange No. 114. The following history was first published in "The Connecticut Granges," in 1900 by the Industrial Publishing Company, New Haven, CT.

by Dudley Wells II

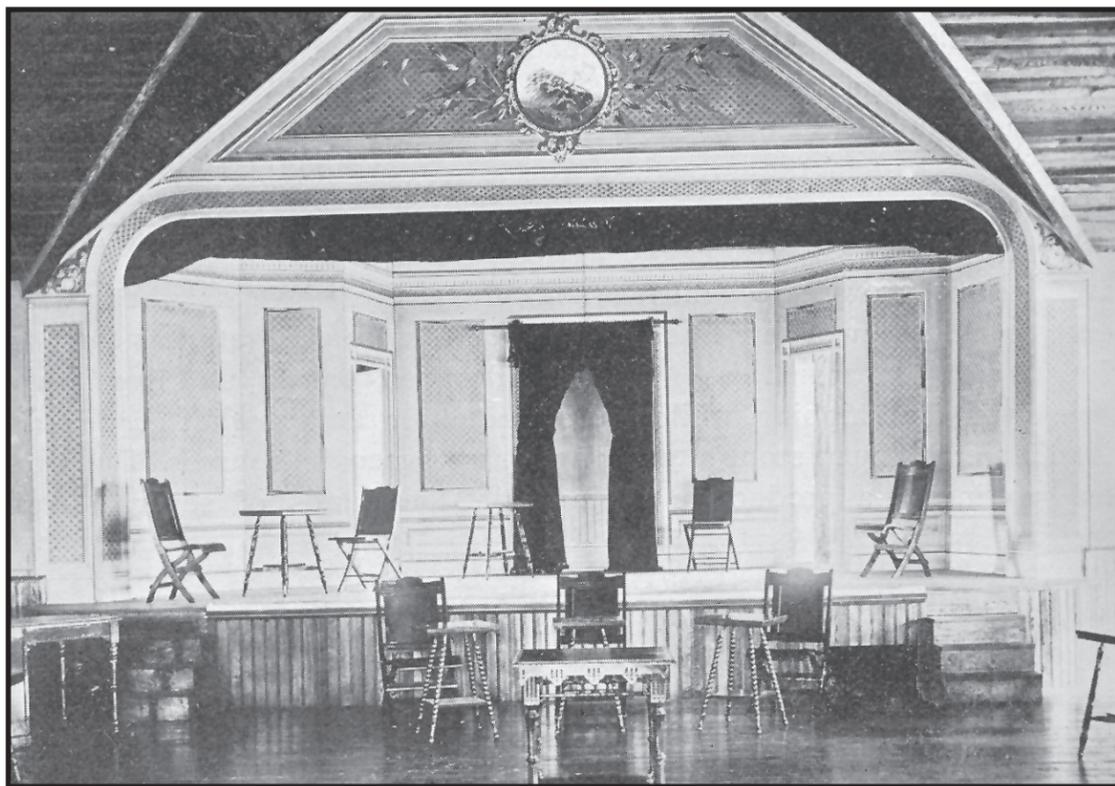

A meeting for the purpose of organizing a Grange was held in the Academy Hall, Wethersfield, Conn., Tuesday afternoon, March 4, 1890. Stephen M. Wells was elected chairman and Dr. E.G. Fox, clerk. Brothers J.H. Hale and J.S. Kirkham were present and told of the many benefits to be derived from such an organization, and so much interest was manifested that an invitation was extended to present names for charter members, which was responded to in a very satisfactory manner.

A committee (one from each school district) was appointed to decide upon a date when a meeting should be called to organize a Grange.

The meetings during the first year were so very interesting, mainly from the efforts of Lecturer, Dr. E.G. Fox, that many applications for membership were received. **This necessitated seventeen special meetings** to initiate the candidates, as the time could not be spared at the regular meetings for that purpose. The number of candidates elected members was one hundred and twenty-eight, forty-five brothers and eighty-three sisters, and two brothers were admitted by demit from Newington Grange. Two members were lost by death. The average

The exterior of the former Wethersfield Grange Hall.

The beautiful interior of the former Wethersfield Grange Hall.

attendance for the first year was eighty seven.

On January 27, 1891, Brother George A. Hopson inspected the Grange and installed the new officers. During the year the Grange conferred the four degrees on twenty-one candidates, eight sisters and thirteen brothers; also added one

sister and one brother by demit, and lost one brother by death.

In 1893 the Grange gave its first annual excursion. These afterwards became a source of fame and profit. It was a success under the good management of Brothers F.H. Robbins, S.F. Williams, R.T. Hewitt

and Dr. E.G. Fox.

The officers for 1894 were installed by Brother Adams. This year the Grange gave another excursion, going to Niantic with about 1,700 people on board the steamer City of Lawrence. This event netted the Grange nearly \$1,000.

In 1895 the Grange

voted to amend the by-laws, so that the offices of Treasurer and Secretary might be filled by the same persons for two or more years in succession, believing it would be better not to have the books of record change hands every year.

In 1896 the officers were installed by M.w.M. Luther Adams. On March 9 of that year the Seventh Anniversary was celebrated with all but the Gatekeeper's chair filled with Charter Members of this Grange.

At this meeting a communication from Dr. Bowen was read and the following resolution adopted: "Resolved - That this Grange views with hearty approval the work of the Law and Order League of Connecticut, and protests against the repeal of its charter or any part thereof; believing that the hands of the organization should be strengthened rather than weakened by Legislative Act."

In the fall of 1897 a joint stock corporation, with a capital stock of \$5,000 was formed under the laws of the state for the purpose of building a new Grange Hall. This stock was divided into 200 shares, one-fifth of which was subscribed for the Grange, the balance being readily taken by individual members. The hall was built in the summer of 1898, and was finished in time for the annual Grange Fair in October.

In the last quarterly report, dated March 31, 1899, the Grange registered 147 sisters and 104 brothers, with another class of candidates to be enrolled the present month.

Sept. 8: Glastonbury Grange #26

Our last meeting in North Stonington we had 24 members present and some missing. Pat Valys filled in for Edith Schoell who fell and is housebound at this time. Next meeting will be in South Glastonbury at the meeting place of Glastonbury Grange #26, Masonic Lodge, Rte. 17A, Glastonbury. Hope to see you there and have a cool festive summer.

GLASTONBURY GRANGE #26

Corr: Kathryn Ruff

Aug. 2: Summer Picnic

Sept. 6: Installation of Officers

Our last Monte Carlo Whist Card Party for the season was held on June 16. They will resume in October on the third Saturday, October 20th at 7:00P.M.

On August 2, our summer picnic will be held. We will hold a short business meeting at 6:00 P.M. followed by the picnic. The Grange will supply the hot dogs and hamburgers and condiments and Tom Breen, our chef, will prepare them. Members will supply covered dishes, etc.

Various year end reports will be ude soon to the State Grange, such as the Community Service Report and CWA Report. Committee chairpersons, please take note.

September 6th our Installation of Officers is scheduled. Then the new year's activities begin.

In early April, for Grange month, we received permission from the Masons to hang our sign up on the side of the Masonic Hall.

SENEKET GRANGE #40

Corr: Diane Miller

July 18: Summer Fun

Aug. 2: Awards Night

At our last meeting we had our election of officers. Joan Perry was re-elected Master. We held the baking contest with three entries. These were the Cross Bone Cookies. There were very delicious.

We are planning our exhibit for the Woodstock Fair. The theme will be directed to our Grange goals. Killingly Grange will work with us. This exhibit is an important way to show the public what the Grange is.

Member Ciri Miller spoke of her involvement with the Woodstock Academy Music Program and the concert that will be held outside at the Putnam Rotary Park. She was selected scholar athletic recently for her senior class.

Our upstairs hall continues to be rented to a local artist.

COVENTRY GRANGE #75

Corr: Noel Miller

July 5: Summertime

We had Election of Officers and have a full slate of officers thanks to our new members from Echo Grange #180. We had a successful tag sale running three Saturdays bringing in much needed cash and getting rid of very valuable items. Congratulations to

Judy Hill for winning second prize at Let's Celebrate for her Cross Bone Cookies. We have a young couple with a farm stand in the front driveway trying it out for the sale of strawberries and vegetables. They used to set up at Echo Grange Hall, trying the Farmers' Market following in Coventry.

EKONK COMM. & JR. GRANGES

Corr: Sue Gray

First let me say that I am very sorry to have not written a column last month, but remember what our beloved ritual says, "...so far as I may be able and the interests of my family will permit". Russell was in the hospital when the last column was due and he took precedence over my Grange obligations.

Our Awards celebration was perhaps the best ever, with 500 years of Grange membership honored! Our State Senator, Heather Somers, attended with citations from the General Assembly for 80 year Granger and World War 11 Veteran, George Turner; also sisters Marion R. Emmons and Ruth P. Rosebrooks (75 years each) and last but certainly not least, our 2018 Community Citizens, father and son, Michael and Wyatt Jordan, who saved a 24 year old woman trapped in a burning pickup truck. Doris Desjardins was honored for 70 years of Grange membership and Barbara and Sam Mosier 25 years. Bruce Lindberg was honored for 60 years of membership and finally, the Hnath family (brothers Jonathan and James (25) and their father, Paul (40)). Russell and I were named Grangers of the Year (total surprise) and the Sterling Board of Selectmen named May 6th as Russell and Sue Gray in Sterling for Russell's years of devotion to our town. Senator Somers also had a citation from the General Assembly for us.

Our Grange completed another year of providing the food for the Relay for Life (\$725.00 donation from

the profits) and our annual roast beef supper for the Veterans home in Jewett City, CT netted \$930.00. Our Grange was invited to the dedication of a park at the site of the Veterans Home, since we have been in since the home was just a dream. We were represented and provided a salad for 80 attendees. As I write this column, Steve Denton has his equipment in our Grange driveway, digging out grassy areas and bringing in gravel to expand our parking area, which is long overdue. Jodi Ann Cameron is again Chairing our booth at the Brooklyn Fair (Aug. 23-26).

We held election of officers and Link Cooper will once again serve as our President. Lillian Sharpe was re-elected President of our Junior Grange. The Junior Grange is purchasing a new entry rug/mat for the Sterling Municipal Building-much needed! Both Grangers have been invited to enjoy a summer picnic with Richmond Grange (RI) on Friday, August 3rd. Our Fair will be Sat., August 11th.

KILLINGLY GRANGE #112

Corr: Glenna Bruno

July 2: Meeting

July 16: Grange Picnic at Quaddick Lake, 6 P.M.

All our meetings have been held. I missed a May meeting. I guess I'm getting tired and forgetful. Our Silent Auction and Pork Dinner went well. We made a good profit. The pork dinner was great. We served about 72 people.

Our June meeting was well attended and all officers were present. Our new Master presided over the meeting. We voted in one new member.

Our second-hand stove is in but not hooked up and we have to move out the old wrought iron stove.

Upcoming Events: July 16 Picnic, Aug. 4- Yard Sale. Hopefully a cabaret and peach shortcake dinner. Also on Aug. 8 will be a cold buffet.

Our election of officers remained the same with the exceptions of Glenna Bruno choosing to decline Lecturer. Pat Valyse suggested having revolving lecturers programs by each member. A planning meeting was suggested but no definite date as yet. Also a dinner on September 15 is being planned. More on that later.

N. STONINGTON GRANGE #138

Corr: Nancy R. Weissmuller

July 13: Meeting Omitted, It's Fair Time!

July 20: "You Cannot Open A Book Without Learning Something." CWA has program.

At our first program in may we played Jeopardy with all the categories having something to do with May. At our second meeting we remembered members lost during the past year and honored Memorial Day. We hold only one meeting in July because our Agricultural Fair will be held July 12-15 and we host the New London County 4H Expo July 27-29.

Memorial Day Weekend is always a busy time for us. On Saturday we hosted the North Stonington Education Fund's annual road race and picnic. This organization raises money to offer grants to our schools for special projects and programs. We cook the hamburgers and hot dogs for the picnic in our food booth. This year we fed over two hundred runners and their families. Many thanks to those who helped! On Monday we put our float together in front of the hall. The Annual Memorial Day Parade forms on our grounds and marches through town. A big thank you to Gloria and Richard White, who lend us their hay wagon and vehicle for the occasion, and Jeff Barnes, who drives it. After the parade we had three generations of Rileys helping to take it apart and stow it away for next year. And if those darn gypsy moths will just leave us alone this year next time I'll tell you all about jolly June.

Eye on Communications

GLEANINGS FROM YOUR STATE PUBLIC RELATIONS TEAM

The Power of “Did You know?”

by Terri Fassio, Public Relations Co-Director
Did You Know...

that ... 72% of consumers shop at stores within 10 miles of their home.

that ... 81% of shoppers conduct online searches before making big purchases.

that ... 72% of adult internet users use Facebook. 35% of those users are 65 and older.

that...90%of all socially active businesses have indicated that their social media efforts have generated more exposure for their business.

that ... research has shown when people hear information, they are likely to remember only 10% of that information three days later. However, if a relevant image is paired with that same information in a visual, people retained 65% of the information three days later.

that ... 66% of Americans own at least two digital devices -- smartphone, desktop or laptop computer, or tablet -- and 36% own all three.

that ... 29% of people want to talk to a salesperson to learn more about a product.

So what does all of this have to do with Grange? Everything. Each one of the statements above can directly apply to your Grange. Granges operate as if they are businesses, and as such, many of the same statistical statements apply. Let’s substitute Grange terms instead of business terms to the ‘Did You Know’s’ above. It’s eye opening.

(Grange-altered) Did You Know...

that ... 72% of Grange members look for Grange meetings within 10 miles of their home.

Lyme Ticks Abundant in State

New Haven, CT – The Tick Testing Program at the Connecticut Agricultural Experiment Station (CAES) is reporting peak tick abundance throughout the State at this time, and higher than average infection with *Borrelia burgdoferi*, the causative agent of Lyme disease. According to Dr. Goudarz Molaei, who directs the CAES Tick Testing Program, “we have received over 2,600 ticks so far this year for testing and greater than 40% have tested positive for Lyme disease spirochetes. This is roughly 10% higher than what we have typically seen over the last five years.”

The Experiment Station is also reporting high tick infection rates with *Babesia microti*, the causative agent of babesiosis, a malaria-like illness (8%), and *Anaplasma phagocytophilum*, the causative agent of human granulocytic anaplasmosis (12%).

“We are in the midst of a peak activity for nymphal stages of blacklegged “deer” ticks, *Ixodes scapularis*, that are often difficult to detect because of their small size and propensity to quickly attach and feed”, said Dr. Theodore Andreadis, Director of the CAES. “Using tick repellants when hiking or camping and conducting tick checks remain the best ways to reduce the risk of contracting tick-borne diseases”.

According to the Centers for Disease Control and Prevention (CDC), Lyme disease is the most commonly reported vector-borne disease in the United States that affects an estimated 329,000 people annually and can cause severe damage to joints and the nervous system. The Connecticut Department of Public Health reported 2,022 cases of Lyme disease in 2017. Several hundred cases of babesiosis and human granulocytic anaplasmosis have also been diagnosed.

Detailed information about the Tick Testing Laboratory, personal protection measures, tick control measures, and tick-associated diseases can be found at the following websites:

Aug. 28: Dog Days (Country Store), Ref. Marie Steiner & Sue Kline
 It's July and we are happy to say goodbye to our old parking lot in front of the hall! It has served us well but it has to go! Through the generous donation made by the Volunteer Fire Department and by the loan secured through the State Grange we are finally able to have it repaved. It will be nice to have a pothole and crack free parking area at our hall. It will dramatically improve the appearance of our property and the neighborhood. The project should be completed by the end of July, just in time for...

The Winchester Grange Fair & Flea Market is scheduled for Aug. 11 at our hall and on the green in Winchester Center. The

Fair features a giant book sale, exhibits of vegetables, fruit, flowers and baking along with a drawing for gifts, food from our kitchen and grill and our flea market on the green. If you would like more information about exhibiting or renting space on the green for the flea market, please visit our website or call our lecturer Ramona at 860-482-2733 ~ www.winchestergrange.org.

Our Strawberry Festival on Father's Day was extremely well attended with a very good profit realized. We thank all of the members and friends of Winchester Grange for donating their time to hull berries on Friday evening, to bake biscuits on Saturday, and to do all of the various things that needed to be done on Sunday morning, and of course, the actual Festival on Sunday afternoon. It takes many

hands to accomplish this event and we are not always sure how many there will be, but it always turns out well in the end. THANK YOU!

ENFIELD GRANGE #151

Corr: Irene Percoski
July 11: First Day of Farmers' Market, 3 P.M.
July 14: Red, White & Blue, Picnic - Bring a dish that begins with the letter "G"

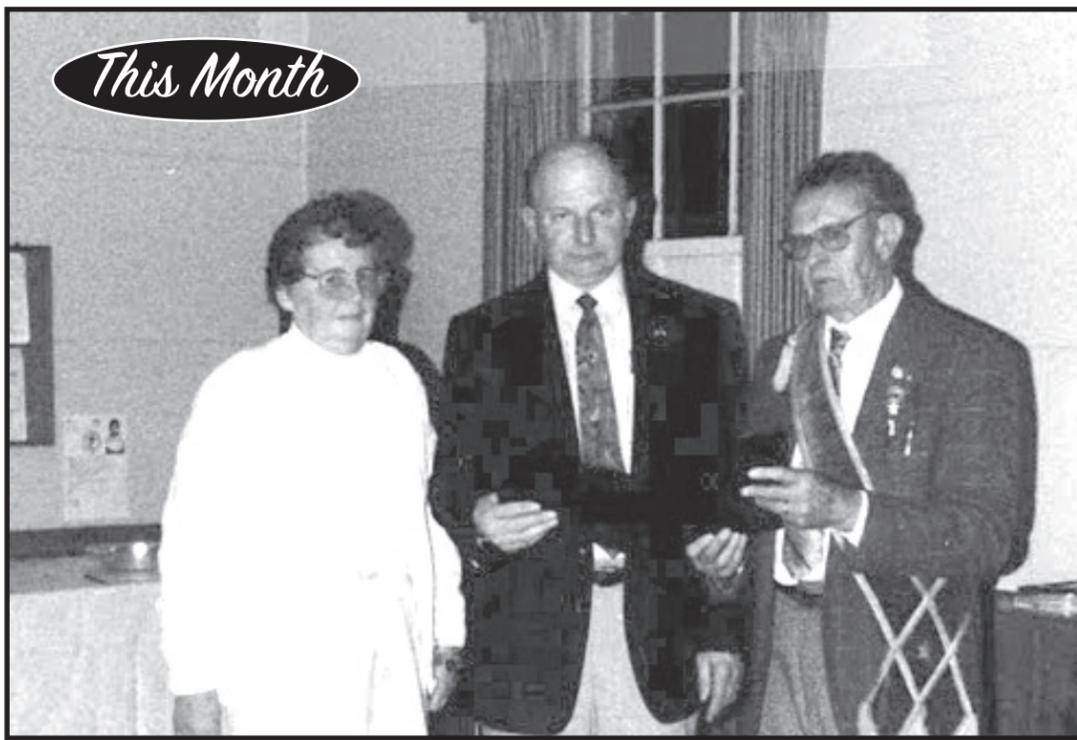

Aug. 11: Summer Fun
 The weather has been wonderful so far and I hope it stays that way for a while. Come to the Farmers' Market and visit our booth. This year we will be on the front lawn at the Town Hall on the corner of Main St. and Rte. 5. There is plenty of parking so traffic will not be a problem. Along with our handcrafts we will have some luscious goodies. Hope to see you there.

WINDOW TO THE PAST

Photographs are a treasured part of Grange history. Many of them, unfortunately, do not come neatly labeled on the back with names, dates, people or places. These photographs have a history to tell... but about whom or what? Please help us solve the mystery of faces and places as we look through the Window to the Past. You can contact us by calling (860) 626-5074 or on the web by emailing: submissions@ctstategrange.org.

We heard from Janet Haller on the May 2018 photo. The photo is from National Grange when it was in Hartford in 1972, and shows the Prince and Princess representatives from each state. Connecticut's prince is Gordon Fraser of Lyme Grange, who is in the back row, fourth man in from the right. Connecticut's Princess is Lori, but not sure about her last name. She is fourth woman in from the right in the middle row.

July 2017 Photo -- We heard from Janet Haller with information from the July 2017 photo. Pictured are the winners of the Sewing Contest from 1972. Theresa Caliendo from Southington Grange on the left, and her granddaughter April (Caliendo) Osser. They were the Best of Show winners and went on to National Grange. Also pictured were Ellen Foley who was sponsored by Franklin Grange, and Rita Whewell who was sponsored by Stonington Grange.

There were no answers to last month's picture.

Words For Third's Program

View FROM THE Hill

Burton Eller
National Grange
Legislative Director

OVERVIEW:

Congress returns to Washington after their Memorial Day Recess the week of June 4 to wrestle with the calendar and a plethora of unresolved legislative and public policy issues. The farm bill failed on the House floor under pressure from feeding program (SNAP) and immigration advocates who wanted leverage to address changes to these two specific issues. On the other side of the Hill, the Senate Agriculture Committee stepped up efforts to pass a farm bill out of committee by mid-June.

House members have almost enough votes to force a discharge petition to allow immigration votes on a permanent fix to the high profile “Dreamers” situation. A compromise on tougher work requirements for SNAP recipients will be necessary to get any Democrats to vote for the House farm bill. The stalemate on negotiations revising the NAFTA trade agreement threatened farm prices for agriculture commodities. New U.S. tariffs placed on imported steel and aluminum from Canada, Mexico, and the European Union brought threats of retaliatory tariffs on American goods and farm commodities sold abroad.

Finally, it seems

everyone in Washington can spell and say rural broadband expansion. After years of lip service, new broadband providers, additional money, higher priorities, increased commitments and public policy pronouncements are targeting rural broadband deployment.

Access to affordable health care in rural and small town America is always on the agenda for the National Grange. Rural hospitals continue to close faster than local telemedicine clinics can replace them. Prescription drug pricing is a main street topic now in Washington. Profit-taking along the chain from drug maker to patient user is under scrutiny. Counterfeit imported drugs continue to pose a health risk to domestic patients.

**AGRICULTURE:
Farm Bill**

The House farm bill went down in flames May 18. Democrats were outraged at the increased work requirements for able-bodied SNAP recipients without dependents. Conservative Republicans used the farm bill vote attempt to leverage a vote on the “Dreamers” immigration dilemma. It appears House leaders will have to reach a deal on immigration with conservatives before the

House farm bill can be reconsidered. It’s still uncertain whether the House will try to pass a farm bill with Republican-only votes or attempt a compromise on the SNAP provisions to draw Democrat votes. The Senate bipartisan farm bill meantime is nearing completion according to Chairman Roberts, R-KS., and ranking Democrat Stabenow, D-MI. Committee action on the Senate bill could come as early as the week of June 11. Roberts says he has commitments from Senate Majority Leader McConnell, R-KY. and Minority Leader Schumer, D-N.Y. for a clear pathway” to the Senate floor if the bill receives a substantial majority committee vote

Waters of the United States

The House Energy-Water Appropriations Bill is ready for floor debate. It contains a provision to repeal the “Waters of the United States” rule that redefined the jurisdiction of the Clean Water Act to include practically all land and water in the country which the National Grange opposes. The appropriations provision is intended to expedite the process of replacing the rule.

**HEALTH CARE:
Drug Prices**

The President unveiled his plan to lower drug prices. Among the biggest policy changes are the provisions to require drug companies to disclose their prices in television ads, shorten the time for cheaper generics to reach the market, and target pharmacy benefit manager “Middlemen” for increased transparency on how well (or not) they are passing drug discounts along to patients. National Grange president Betsy Huber issued a statement commending the President and his Administration for their efforts to lower drug prices for rural and senior patients across the country. However, the Grange is

waiting for more clarity on several items including the price of sole-source branded drugs and possible changes to Medicare Part B which could raise specialty drugs prices and limit their availability to lifesaving treatments for seniors.

Beware of the Out-of-Pocket-Cliff

With recent Part D changes to cost-sharing incentives and a looming out-of-pocket cliff or “donut hole” coming by 2020 that could raise senior’s costs by \$1500, Part D beneficiaries need decisive action from Congress to protect their access to life-saving drugs. The National Grange encouraged all House Democrats to cosign a letter with Schneider (D-IL-10) and Kelly (D-IL-2) urging the House to legislatively fix this threat before it’s too late. House Republicans were encouraged to cosign a similar request letter with Representative Hudson (R-NC-8).

Department of Health and Human Services Adds Rural Health Strategy

HHS’ Center for Medicare and Medicaid Services says it is set to begin focusing efforts on better prioritizing the unique health care needs of rural populations. The agency says it will look at ways to improve reimbursements for rural providers, recruit and train health care workers, make health care options more affordable and advance the use of telemedicine.

Pigs and Cows Allergy Partners?

Living close to a livestock farm may lower one’s risk of common allergies among adults who aren’t farmers or ag workers according to research published in Occupational & Environmental Medicine. In fact, the closer the proximity to pigs and cattle the better the chance to lower the risk of allergenic sensitization. In addition, those who lived in an area of high farm density as a child had

significantly lower allergy risks, suggesting that long term exposure may be particularly effective.

**ELECOMMUNICATIONS:
Broadband**

Grange president Betsy Huber wrote Representative Curtis (R-UT-3) to support his Rural Broadband Permitting Efficiency Act, H.R. 4824. Breaking down jurisdictional and bureaucratic barriers will go a long way to expedite broadband deployment. Curtis’ bill would:

Delegate federal environmental compliance to a state on behalf of the relevant federal agency Provides a categorical exclusion for any broadband project within an existing operational right-of-way.

Consolidate efforts in the executive branch to create a single federal point of contact for the broadband deployment project.

What does broadband have to do with the opioid epidemic in rural America? More than one might think according to Anne Hazlett, Assistant to the Secretary for Rural Development at USDA. Some roots of the opioid crisis appear to stem from deep and challenging issues such as generational poverty, over prescribing medication, lack of economic opportunity, lack of access to quality medical care, and a sense of isolation. Eighty percent of American households that do not have access to reliable, affordable high-speed internet are in rural communities. Seventy five percent of the country’s schools that lack high-speed internet service are in rural areas. Available, accessible broadband can help in the fight against opioid addiction and aid in the recovery process.

By Hank the Burro

Hello Grange friends! We started out the month by going to Beacon Valley Grange, where they were celebrating their 129th Anniversary. We had so much fun - and I even danced to the music!

It was great to see all my friends at Let's Celebrate Day at Cheshire Grange Hall. All of the entries were very nice to see, and congratulations to all the winners. For Father's Day, Noel, Marcia and I went up to Winchester Grange for their Strawberry Festival. It was MMM Good! Fair season starts soon - so I hope to see you around the state!

Don't forget to follow me on Facebook for news of my latest travels. Please take a minute to follow the link and click the "Like" button. <http://www.Facebook.com/CTGrangeHanktheBurro>

citizens to access telephone connectivity to the outside world. The National Grange sometimes looks to its state Granges for help. New York State Grange president Stephen Coye recently filed formal comments with the New York Public Service Commission on behalf of the National Grange supporting a petition for TracFone Wireless to participate in the New York Lifeline Program.

IMMIGRATION:

Immigration is suddenly on the front burner in Washington. Proponents of leveraging floor debate on immigration policy in the House of Representatives have 213 of the 218 signatures needed. Also, conservative Republicans joined Democrats in voting against the farm bill as a means to leverage immigration consideration; this means the farm bill stands no chance of passing until immigration is addressed in some form or fashion. The problem is that the GOP appears divided within its own ranks on an immigration strategy. Moderates want to limit debate to a pared-down bipartisan bill that would create a path forward to citizenship for those brought to the U.S. as children, referred to as "Dreamers". Another issue certain to be added is the policy of separating immigrant parents and children at the Southern border. Conservatives are demanding a more comprehensive approach to curb illegal immigration, create legal pathways to citizenship for qualified persons, close the border to illegal crossings and create a workable farm worker program. National Grange policy is to support a legal immigration process for all immigrants and create a workable, efficient, practical and relevant ag worker program.

TRADE:

Trade Economy

Agriculture depends on trade. No matter where one stands on the many aspects of trade, it's a fact that our agricultural economy relies heavily on the foreign consumer buying the food we produce. Threats of trade wars send shock waves through farm country, financial markets, manufacturing, the supply industry and the rest of America's production economy.

NAFTA

Most Americans appear to support free and fair trade between countries. The difficulty comes with one's definition of fair trade. Is trade fair if a country wants to carve out a special benefit, product or commodity for special treatment similar to today's dairy issue with Canada? Issues like the Canadian dairy restrictions abound as nations attempt to negotiate or renegotiate trade agreements. The brick wall on renegotiation of the Canada-Mexico-United States NAFTA trade pact is a case in point. Until all countries involved are able to reach a compromise on these "sacred cows", a new NAFTA agreement will remain elusive.

Tariffs

Then there are tariffs. Tariffs are like extra high taxes placed on the things we want to buy. These new taxes will probably cause us to buy less of that product or not buy any at all. So when America places a 25 percent tariff on steel and a 10 percent tariff on aluminum imported from the European Union, Canada and Mexico, these countries lose the American market. These countries in turn place tariffs on American products and we lose market share there. This circular boxing match on trade continues until one side gives up or until an agreement is reached.

Hank's Ranch Picnic Potato Salad

The 4th of July is one of our favorite holidays to host picnics and potluck dinners. Potato Salad is a summertime staple. Hidden Valley has a recipe with their spin on Potato Salad that could make this dish a new picnic tradition!

INGREDIENTS:

- ½ cup sliced green onions
- 1 cup chopped celery
- 1 tablespoon Dijon mustard
- 1 cup Hidden Valley Original Ranch Dressing
- 2 hard-cooked eggs peeled, finely chopped
- 2½ tablespoons chopped parsley
- lettuce (optional)
- paprika
- 3 pounds Idaho potatoes or russet potatoes, peeled salt
- freshly ground black pepper

DIRECTIONS:

STEP 1 - In a large pot, add the potatoes and enough water to cover.

STEP 2 - Add the salt and bring the water to a boil. Cook the potatoes for 10 to 15 minutes or until tender when pierced with a fork. Drain and set aside to cool slightly.

STEP 3 - In large bowl, combine potatoes, celery, onions, parsley, salt and pepper. In small bowl, stir mustard together with the dressing until well blended. Pour over potato mixture and toss until lightly coated.

STEP 4 - Chill covered for at least 1 hour, overnight is best.

STEP 5 - Serve in a bowl lined with lettuce leaves, if using, and garnish top with the chopped egg and paprika.

Greenfield Hill celebrates 125 Years

It was a rainy morning on Sunday April 29th. But soon, the rain gave way to sun, just in time for everyone to arrive. It was a perfect day to celebrate the 125th anniversary of the Greenfield Hill Grange.

Grangers, friends, and dignitaries came from all over the state to join the celebration.

Fairfield First Selectman Mike Tetreau presented the Grange with a proclamation stating "Although the family farm is no longer a part of a Fairfield resident's life, there are still many community members who adhere to the core values and ideals the Grange stands for. Grange members love their hometown and deep roots. They enjoy the company of their neighbors, and seek to create an environment for the families and friends."

The Fairfield delegation of the Connecticut General assembly presented an official citation expressing "Congratulations on a job well done" and wishes for "125 more years of success in supporting the rural and agricultural history of our community."

Connecticut State Grange Master Noel Miller reflected on the question "At times we wondered if our founding fathers ever thought we would last this long. And I think they would be shocked and awed that we are still here and as strong as we are here today."

The Queen Anne style building was built in 1897 by Frank Perry. Additions were built in the 1930's. The Greenfield Hill Grange was added to the National Register of Historic Places in 2008.

Let God Help You

*Did we in our own strength
confide,
Our striving would be losing;
Were not the right Man on our
side,
The Man of God's own
choosing:
Dost ask who that may be?
Christ Jesus, it is He;
Lord Sabaoth His Name,
From age to age the same,*

And He must win the battle.

There is an old saying: "God helps those who help themselves" that many people think is part of Holy Scripture, but which in essence is actually contrary to what the Bible tells us. The Bible says, in various forms, that God helps those who cannot help themselves. The grain of truth in the saying is that we should not stand in the way of letting God help us, but should instead reach out for God's help. Picture in your mind a young child who has not yet learned to walk but is anxious to do so. Extend your finger so that the child can grab it, and then be the helping hand so that he or she can take those first steps, with your hand to hold them up and guide them. What if the child did not grab your finger? Then it would greatly handicap your ability to help.

The message is that God is ready and willing to help, but you must be prepared to receive God's help by taking that first tentative move to leave yourself open to God's help. I am reminded of the man who, in great financial difficulty, would pray every night: "Please God, Let me win the Lottery." Finally God answered: "George, Help me out here! Buy a ticket!"

Do not expect that God will solve all your problems for you. What Jesus said (Matthew 11:28) was "Come unto me all you who labor and are heavy laden, and I will give you rest." The promise was not that God would rid you of your burdens, but rather that He would give you the ability to bear them more easily, sometimes showing you the ways that will allow you to lessen them or even let them drop. God wants to work WITH you and use your experiences to learn to live a less worrisome and burdensome life.

Finally, remember that old Gospel hymn which contains the lines:

Are we weak and heavy-laden,
Cumbered with a load of care?
Precious Savior, still our refuge—
Take it to the Lord in prayer.
