

# RESOLUTIONS

## **Have an idea for a resolution?**

There's still time to write your resolution and have it adopted by your Subordinate/Community Grange and/or your Pomona Grange.

## **Is adoption by a Pomona Grange required?**

The short answer is no. It is strongly encouraged, but not required. We know that it may be difficult to get resolutions adopted by a Pomona prior to State Session. However, all resolutions sent to State Grange MUST be adopted by the Grange sending them in.

## **What are the filing requirements?**

Resolutions should be received at the Central Office by September 15. Any resolutions received after that date will be accepted and printed in the Session Book up to the printing date for the book. If the book has already been sent to print, the State Secretary will request you supply 150 copies for insertion into the Session packets.
